EPS CORPORATION IS INSTALLING AND MAINTAINING SOLAR ENERGY SYSTEMS FOR WALMART STORES IN ELK GROVE AND SACRAMENTO, CALIFORNIA

TINTON FALLS, N.J. March 16, 2015 - EPS Alternative Energy Systems, in collaboration with Lane Davis of Fox Group, LLC, recently completed the installation of solar energy systems in two Walmart stores in Elk Grove and Sacramento, California.

“EPS is pleased to help Walmart work towards their goal to be powered 100 percent by renewable energy,” said Joseph Porrovecchio, Vice President and General Manager of EPS Alternative Energy Systems.

EPS Corporation is a Service Disabled Veteran Owned Small Business that has provided engineering services since its formation in 1983. EPS corporate headquarters is located in Tinton Falls, New Jersey.

“Walmart has a long-standing commitment to veterans, which dates back to our founder Sam Walton and that’s why we are so proud to be able to work with this veteran-owned company in our effort to scale our use of renewable energy,” said David Ozment, Senior Energy Director of Energy for Walmart.
