MEMORANDUM THRU Mr. Chuck White, President, EPS Field Service, 285 Tallywood Shopping Center, Fayetteville, NC 28303

SUBJECT: Letter of Appreciation

Dear Mr. Dennis Schatti:

1. I would like to express my sincere appreciation for your outstanding performance and dedicated support to the Product Manager, Multi-Channel Satellite Terminals (MST), as a Lead New Equipment Trainer and Fielder for the Global Broadcast Service (GBS) Receive Suite, AN/TRS-8.
2. Your diligence in all aspects of your position has had a positive impact in the Product Office. Your technical knowledge, leadership skills and superb understanding of the GBS system has contributed to the successful fielding of 205 GBS systems and the training of hundreds of soldiers from Brigade to Battalion level. Your unselfish support and dedication to duty was no less superb in accomplishing refresher training and integration support to deploying units.
3. Your tireless effort in support of the Product Manager, MST, has demonstrated your dedication and loyalty to providing the Warfighter the very best equipment for Training and Fielding. As you know, GBS provides critically needed capabilities to our globally deployed Warfighter and Homeland Security Operations. You are commended for your professionalism, technical expertise and your contribution to the Warfighter. This reflects great credit upon you, Product Manager, MST, Project Manager, Warfighter Information-Tactical, PEO C3T, and EPS.

Sincerely,

A handwritten signature in black ink, appearing to read "Duane E. Amsler, Jr.", written in a cursive style.
